

Why become a member?

- Use the Makerspace during [Member Hours](#) to work on projects and use our equipment (some equipment requires certification and training). Members may also bring one guest each time they visit.
- Free monthly classes, demonstrations, and workshops
- Members who live in Montgomery County can borrow from the Tool Library's growing collection of DIY books and tools for woodworking, sewing, soldering, arts and crafts, photography, gardening, baking, and more! Access thousands of dollars worth of equipment for just a few dollars per month. [Browse our inventory here.](#)
- Join our active community of DIY experts, amateurs, and newbies for monthly meetings, volunteer projects, and social events
- 20% discount on all Makerspace classes
- 10% discount on 3D printing and other purchases

Revision #1
