Items we accept

Items we accept

We tend to accept the following items:

- [Items on our tool wishlist](#)
- Tools that can be
- Books and videos about tools, how-to, and DIY
- Rolls of PLA (1.75 mm) that can be used in our printers
- Seeds (clean and viable)

Sometimes accept:

- Camping equipment
- baking equipment
- arts and crafts supplies
- cloth and yarn (must be good condition)

Higher level of selectivity:

- Wood (hardwood and high quality wood prioritized over construction grade lumber, and we don't have any use for pressure treated or damaged wood)
- Hardware
- Items like wheels, gears,

No thank you:

- Spray paint
- flammable and explosive liquids and gasses
- broken items to take apart

We're all set for now:

Donating money

Donations

Most of the tools and equipment we have was donated or bought with donated funds. We appreciate your support!

To donate items, please

1. Check our list of items
2. Contact makerspace@rockvillesciencecenter.org
3. We'll coordinate with you about pickup or dropoff
4. After receiving the item, we will prepare an official letter to document your donation, with all of the information needed for tax purposes

To donate money, you can either:

- Make an online donation via Square
- Come in during Member Hours to make a donation in cash or using our Square point-of-sale system.
